

HACKETTSTOWN NATURAL RESOURCE EDUCATION CENTER

Spring Teacher Training Workshops

Project WILD

Thursday, April 14, 2005

9am - 3pm

Project WILD assists learners of any age in developing awareness, knowledge, skills, and commitment to result in informed decisions, responsible behavior and constructive actions concerning wildlife and the environment upon which life depends. Participants will receive the 526 page activity guide targeting k-12 grade. High school teachers will receive Project WILD's **Science & Civics**. The activities are correlated to the state's Core Curriculum Content Standards and 6 Professional Development Credits will be awarded upon completion. **The workshop fee is \$10** payable to *NJ Division of Fish & Wildlife*. **Space is limited. Bring your lunch.** Snacks will be provided. **Dress for the weather.** To register, contact Liz Jackson at 908-637-4125 or send email to ejackson@dep.state.nj.us

Reptiles & Amphibians of New Jersey

Saturday, May 21, 2005

9am - 3pm

This program provides teachers and students with the same tools that volunteers use when working alongside biologists in the field to document the diversity of snakes, lizards, turtles, toads, frogs and salamanders. The curriculum package **Teaching Students about NJ Reptiles & Amphibians In the Field and Classroom** includes: Field Guide to Reptiles and Amphibians of NJ, Calls of NJ Frogs and Toads CD, Field Guide to Salamanders, Frogs and Toads of New Jersey's Vernal Pools and a teacher's guide full of activities and lesson plans for grades 5-9. The activities are correlated to the state's Core Curriculum Content Standards and 6 Professional Development Credits will be awarded upon completion. **The fee is \$40** payable to *Conserve Wildlife Foundation of NJ*. **Bring your lunch.** Snacks will be provided. **Dress for the weather.** To register, contact Maria DuBois at 609-984-0621 or send email to maria.dubois@dep.state.nj.us
